Dear Jane

Many thanks to you and your colleagues for nominating Headway Cardiff as this year's beneficiary of the ICCM Recycling of Metals Scheme.

I was delighted to come along yesterday to meet you all and to receive a cheque for the wonderful sum of £3,333.00.

We receive no statutory core funding and rely heavily on the generosity of individuals and organisations like yourselves to continue to provide our much needed services. It is an added bonus to be given such a significant amount that comes with no restrictions.

However, to demonstrate the significance of this sum to us, I can tell you that:

£3,333.00 covers over 50% of the annual cost of providing our specialist Counselling service, directly benefiting around 40 survivors or family members each year.

Thank you once again on behalf of the Trustees of Headway Cardiff and all our service users for your generous donation.

Yours sincerely

Julie Smith
