## Companion Garden Memorial Sculptures 'The Petal'™

The Petal™ has an internal 300mm sphere that houses ashes, which as well as enhancing the design, is also a unique and beautiful receptacle to securely hold the cremated ashes within the Petal. This companion version of the Petal™ Memorial Garden Sculpture has been specifically designed to hold a further two sets of ashes within the steel base and the Petal is then mounted on top. The perfect memorial for keeping two of your loved ones together forever or for as long as they need to be within your garden.

**Price:** £1,110.00  
**Size:** Available in 2 other sizes
